

Remarks

This Preliminary Amendment has changed the title and revised the specification to correspond with the claimed process invention. Also, new claims 5-8 have been added which are believed to more specifically define the invention.

Furthermore, formal drawings are being filed by a separate transmittal to replace the informal drawings utilized for filing purposes.

It is respectfully submitted that the application is now in an allowable condition such that it is appropriate to hereby respectfully solicit its allowance.

Respectfully submitted,

RICHARD B. GUNDLACH ET AL.
